

BENEFIT FROM US

Integrum Advisors delivers a customized approach to maximize your benefits, so you recruit and keep top talent. Our innovative tools and expertise ensures your benefit plans give your employees, and you, the peace of mind that moves your business forward.

We go beyond benefits consulting with our health and well-being strategies that foster happier, healthier, and higher-performing workforces. Let our team be your guide to finding the best solution for you and your employees.

These core values embody who we are, and what we bring to every client:

**PARTNERSHIP. PASSION. INTEGRITY.
CREATIVITY. FLEXIBILITY. EXCELLENCE.
COLLABORATION.**

OUR SERVICES

COST CONTAINMENT

We offer strategies that boost your bottom line and curb employee health expenses and company costs.

HR TECHNOLOGY SOLUTIONS

We help you identify and operate the technology you need to tackle your organization's unique challenges.

COMPLIANCE

We show you how to implement healthcare reform effectively, so you achieve your business goals.

COMMUNICATION & EDUCATION

Your workers will appreciate and value your investment with our employee education and outreach.

ADVOCACY

We help resolve claims and billing issues, so you and your employees focus less on paperwork and more on building your business.
